1<sup>st</sup>-3<sup>rd</sup> Grade  
2020 Summer Art Camp

#### Week 1 (June 8-12)

**9 am to 12 pm: Hot Dogs and Cool Cats** (Elizabeth Brosha)- Make a variety of art on the theme of dogs and cats! Create cool cat newspaper art, paper cache dogs, crazy cat collages and more!

**9 am to 12 pm: Under the Sea** (Emma Jo)- Shadow boxes full of oceanic scenes. Learn different watercolor techniques such as using salt to add texture, creating canvas scenes with yarn and string, focusing on cooler hues and even fluid medium for a time spent under the sea.

**1 pm to 4 pm: You can paint with whaaaaat?** (Heather Beemer)- A class to experiment with painting via blowing, bubbles, paper tubes, tape, drop-splat, rolling marbles, and sponges. We'll see what other ideas we can come up with!

**1 pm to 4 pm: Body Art** (Jacob Spill)- We will be painting each other's faces and drawing tattoos on each other's arms with a nontoxic non-permanent marker. *Please make sure your child isn't allergic to face paint.*

#### Week 2 (June 15-19)

**9 am to 12 pm: Endangered Animals** (Elizabeth Brosha)- Beautiful animals are in danger of disappearing. Make art to let people know all about them! Create textured turtles, clay polar bears, pretty pandas, and more!

**9 am to 12 pm: Star Wars Creations** (Jacob Spill)- Enjoy a class of fun art projects for all of the young Jedi and Sith. We will be building lightsabers as well as constructing other crafts from a galaxy far, far away.

**1 pm to 4 pm: Let's Get Abstract** (Heather Beemer)- Silhouettes, self-portraits, scribble-art, scrambling the Master's, etc. Please bring a fun, black-white photo of yourself on 8.5 x 11 paper.

**1 pm to 4 pm: Beginning Acting** (David Daniel)- Young actors will explore the dynamics of movement, how to make powerful choices in any scene and any role, and the secrets to bringing unforgettable characters to life. Students will work extensively with one another in exercises and test performances to learn the basics of stage and screen.

#### Week 3 (June 22-26)

**9 am to 12 pm: Fairy Tales** (Whitney Holland)- We will read new fairy tales each day and create art to go along with them! We will also spend time creating our own fairy tales and corresponding artwork.

**9 am to 12 pm: Paint Explosion** (Jacob Spill)- Learn to paint just like the old masters! HA!!! Yeah right!!! This class is all about getting messy and exploring with paint media. Make sure you don't wear your favorite Minecraft T-shirt because you might get paint on it!

**1 pm to 4 pm: Color Fun!** (Britton Donharl)- How many colors are in a rainbow? We'll explore painting and drawing to mix and make things colorful, and even construct some colorful creations.

**1 pm to 4 pm: Garden of Earthly Delights** (Ellen Mancini)- With the onset of summer, gardens are flourishing! Trees are blooming and we have an abundance of flowers and vegetables. Get inspired by the shapes, colors, and textures of all things that grow. Create paintings and craft projects that reflect the growing season.

#### Week 4 (June 29-July 3rd)

**9 am to 12 pm: Five Senses** (Whitney Holland)- We will use art to explore our five senses. We will make slime, smelly dough, textured prints, listen to music, and read poetry to make your projects a multimedia experience.

**9 am to 12 pm: Wizards, Dragons and Ghouls** (Jacob Spill)- Join us as we make arts and crafts straight from Middle Earth, Narnia, and Hogwarts!

**1 pm to 4 pm: Paint Party** (Susanne Harrison)- Paint all week! Paint on canvas, paint on paper and paint on Papier-mâché!

**1 pm to 4 pm: Clay** (Dee Homans)- Various projects using self-hardening clay. Come ready to get your hands dirty!

#### Week 5 (July 6- July 10)

**9 am to 12 pm: Let's Explore the Rainforest!** (Shelly Doyle)- We will be taking a journey into the wonderful rainforest! Along the way we will learn about the wildlife that calls the rainforest their home. We will see what this mysterious area of nature has to offer from poison dart frogs to the ever-changing chameleon, to the famous toucan bird! Throw on your rain jacket and join us!

**9 am to 12 pm: Out of This World** (Emma Jo)- This class focuses on planets, aliens, and the extra-terrestrials! We will make 3-D, papier-mâché planets with wire so that can hang, paintings, drawings, and sculptures of anything out of this world!

**1 pm to 4 pm: Artie Party! An Exploration of Mixed Media Art** (Elizabeth Fisher)- Come PLAY and explore with Mixed Media. Mixed media is combining different art mediums such as collage, paint, sculpture and drawing. We will create a sculpted 3-d animals on an acrylic painted background, and painted paper collages or painted pop up cards! The possibilities are endless!

**1 pm to 4 pm: Exploring the Rainforest** (Whitney Holland)- Explore the rainforest! We will make paper plate habitats, toilet paper tube bromeliads, paper chain snakes, and more!

#### **Week 6 (July 13-17)**

**9 am to 12 pm: Silhouettes and Shadows** (Maegan Carter)- Look at the impact of silhouettes and shadows in art. Learn how they are part of art, both with and without color! We will make shadow puppets, sun bleached paintings, decoupage shadow boxes, and profile cameos.

**9 am to 12 pm: Be Your Own Hero** (Jacob Spill) Don't wait around for superman to save the day. You're going to make your own comic!! This class is for the hero in all of us. We will be doing comic illustrations as well as fun superhero themed crafts.

**1 pm to 4 pm: Silhouettes and Shadows** (Maegan Carter)- Look at the impact of silhouettes and shadows in art. Learn how they are part of art, both with and without color! We will make shadow puppets, sun bleached paintings, decoupage shadow boxes, and profile cameos.

**1 pm to 4 pm: Solar System Exploration!** (Britton Donharl)- Learn about the planets in our Solar System while making beautiful representations of them! We'll explore making collages, sun catchers, mobiles, and moon dough.

#### **Week 7 (July 20-24)**

**9 am to 12 pm: Dinosaurs!** (Britton Donharl)- We'll learn about dinosaurs through making footprints and fossils, a dinosaur egg, dino art, and some wearable dino feet!

**9 am to 12 pm: Zoinks! It's Zombies!** (Jacob Spill)- Don't fear the walking dead, JOIN EM!!! This class explores the lighter side of zombies. We'll be doing zombie themed crafts as well as completing a short film about the misunderstood zombies. Don't worry parents, no gun crafts allowed in this class. Think more Plants vs. Zombies.

**1 pm to 4 pm: Budding Monet's and Van Gogh's** (Elizabeth Fisher)- Come play and explore art with the Master Artists! Create Paul Klee Cats with chalk pastel and recreate Monet's water lily garden using oil pastels and watercolors. Dance with the swirling stars and recreate Van Gogh's beautiful starry night using collage and paint techniques. If you enjoy the classics, this class is for you!

**1 pm to 4 pm: Creatures of the Ocean & Sea** (Ellen Mancini)- Explore the world of fish, sea turtles, starfish, jellyfish, and seahorses. Create projects inspired by these beloved creatures. Draw and paint with an emphasis on natural shapes and vivid color.

#### **Week 8 (July 27-31)**

**9 am to 12 pm: Famous Artists** (Maegan Carter)- Learn about 5 famous artists and the techniques they used to make their creations. Then, try your hand at some of your own! Use bright and bold patterns like Klimt, make self-portraits like Frida Kahlo, get your abstract on like Picasso, connect with nature like O'Keeffe, and make flowing floral landscapes like Van Gogh!

**9 am to 12 pm: Collage Creations** (Jacob Spill)- Use old magazines and comics to construct album artwork for your favorite band, bizarre looking animals, and internet memes.

**1 pm to 4 pm: Famous Artists** (Maegan Carter)- Learn about 5 famous artists and the techniques they used to make their creations. Then try your hand at some of your own! Use bright and bold patterns like Klimt, make self-portraits like Frida Kahlo, get your abstract on like Picasso, connect with nature like O'Keeffe, and make flowing floral landscapes like Van Gogh!

**1 pm to 4 pm: Art from the Heart** (Ellen Mancini)- Explore the depths of your heart using images you truly love. Express ideas in collage, drawing, and painting.

#### **Week 9 (August 3-August 7)**

**9 am to 12 pm: Rainforest Fun** (Susanne Harrison)- Create creatures inspired by those living in the rainforest. Toucan art, sloth art, snake art, parrot art and more.

**1 pm to 4 pm: Intro to Magic the Gathering and Pokémon Trading Card Game** (David Daniel)- LET'S DUEL! Learn the rules and strategies to take your games to the next level. Explore the artistic origins of many of the most popular cards and monsters from the game. Design and draw your own custom cards to play YOUR way. Bring your own decks or use decks provided by the instructor.
