General Guidelines and Policies

- Preference will be given to our local and regional (New Mexico) artists.
- Bring in 4 to 5 samples of your work with our inventory sheet and **signed contract**.
- Include information about your artwork materials and processes, *for example*:
- **Clay:** Firing process, is it lead free, microwave/dishwasher/oven safe?
- **Wearable Art:** List the type of fabric, cleaning instructions, etc.
- **Prints of artwork (larger prints or cards):** List the reproduction method, type of ink and paper, etc. Provide information about your original artwork.
- **Jewelry:** Specify type of stone/metal and other materials, technique, etc.
- Prices must be kept at \$250 or below.
- Each Artist whose work is accepted is guaranteed to have some pieces on display, but the extent and manner is at the complete discretion of the Gallery Shop.
- Artists may not arrange or personally restock their displays.
- Sales will be reviewed on a quarterly basis to determine retention as a Gallery Shop Artist.
- If you are also selling off a website, such as Etsy or another similar site, or participate in any Arts and Crafts Fairs (including ones hosted by FLAC) we ask that you keep your prices consistent with what you're asking in the Gallery Shop.
- The Art Center **does not cover the shipping costs** of any items shipped to or from our shop.
- **Please understand that you CANNOT take items from the shop to supplement your inventory in other places you have your work for sale.**
